

Treating customers fairly policy

Avail Vehicle Contracts are fully committed to providing the highest standards of client service and advice.

As a part of our overall approach we are fully committed to treating our clients fairly and as such we endeavour to meet their expectations of high quality service.

Our treating customers fairly policy is centred around the guidance provided by the Financial Conduct Authority to ensure we consistently deliver fair outcomes to our clients and take responsibility for the company and staff (at all levels) providing an enhanced service quality to clients, based on a culture of openness and transparency. As a company, we take the requirements of the Financial conduct Authority seriously, in particular, the requirement to treat customers (clients) fairly.

- The Financial Conduct Authority has outlined six key themes which are central to our policies:
- Consumers should be confident that they are dealing with firms where treating customers fairly is embedded in the corporate culture
- Services marketed and sold are done so with the aim that they meet the needs of client and are targeted accordingly
- Consumers should be provided with clear information and are kept appropriately informed before, during and after the service provision
- Where advice is provided, it takes into account a clients individual circumstances
- The service provided is of an acceptable standard
- Customers do not face unreasonable barriers to make a complaint
-

We have set out below how we aim to ensure these principles are embedded in our approach to dealing with our clients.
